EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with the applicants' attorney Mr. Keith D. Lindenbaum on 6/17/2005.

The application has been amended as follows:

IN THE CLAIMS:

Claim 22, line 7, after "body", --, the splash guard being independent of the spout and being external to the raised neck portion-- has been inserted.

Claim 43, line 8, "the" second occurrence, has been deleted and --an-- has been inserted; line 9, after "body", --, the splash guard being independent of the spout and being external to the raised neck portion-- has been inserted; line 12, "an" has been deleted and --the-- has been inserted.

Claim 41 has been canceled.

Allowable Subject Matter

2. Claims 2-3,7,10-11,13,15,21-23,25-26,36-39,42-43 are allowed.

3. The following is an examiner's statement of reasons for allowance: the prior art fails to disclose or render obvious a paint container in combination with the other claimed limitations of claims 22 and 43:

"a splash guard disposed proximate the spout and extending beyond an outer periphery of the body, the splash guard being independent of the spout and being external to the raised neck portion".

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

4. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Aulbach 1,768,098, Aulbach et al. 1,794,098 and McDonald et al. 6,896,156 disclose other types of container.
